

## Manning & Napier Celebrates 25 Years of International Investing with Broad Lineup of Solutions

**FAIRPORT, NY, AUGUST 10, 2017 – Manning & Napier, Inc. (NYSE:MN),** “Manning & Napier” or “The Company” is pleased to announce this month The Manning & Napier Fund, Inc. International Series (EXITX) celebrates its 25-year anniversary. This milestone marks Manning & Napier’s longstanding commitment to international investing.

The International Series is managed by the firm’s Global Strategy Group, a team dedicated to international investing. The team invests principally in common stock of companies located outside of the U.S., which may include investments of any market capitalization in both developed and emerging markets.

“The forces of geo-politics, global socioeconomics and demographics are becoming more complex,” said Jeff Donlon, CFA, Managing Director of the Global Strategies Group at Manning & Napier. “These dynamics create volatility in equity, fixed income and currency markets and challenge companies to adapt and evolve their corporate strategies and investment decisions to new realities. As an active manager, we see this as an opportunity to identify individual companies positioned to capitalize on the macroeconomic and policy changes occurring around the world.”

Donlon recently communicated Manning & Napier’s outlook on Europe in “[Europe Has Reached an Inflection Point](#),” and will be hosting a webinar on the topic on August 30<sup>th</sup> at 1pm ET. [Click to register](#).

“The reality is that some of the largest, most profitable, and recognizable companies are headquartered outside of the United States. That simple fact means that investors who aren’t investing internationally could be missing out on a world of opportunity.”
